EROS... The Erotic Workings of a Woman's Mind

Comments Overall, it seems that a strength of this text is that it encompasses a full gamut of topics that are typically included in a Principles of Management course at the undergraduate level. Indeed I was angry, and could have beaten him: but that I considered my revenge would not have repaired the damage, but rather, perhaps, add to my loss, by making the beast run away.

The Woman in White

Thomson's argument stresses bodily integrity and self-ownership, and argues that if we accept these premises we can only allow fetuses to use women's bodies with women's consent. Please always keep in mind that this information might save your life, but it will not make your journey less dangerous.
