Infrastructural Ideals and Everyday Practices of Water Water sector professionals at the International Conference on Water and the Environ- Vending in Accra ment in Dublin and the United Nations Conference on Environment and De- velopment in Rio de Janeiro set a number of guiding principles to be translated

into urgent action programmes for water and sustainable development. We intertwine circles, searching for new frameworks, recognizing imprecisions, looking for other forms and architectures. That's another fact curiously left out of the film. Ironically, however, since objects are inanimate, they cannot respond to the psychic desire invested into them, thus the continual need to acquire more objects to try to satisfy the libidinal energies mistakenly directed to.
