Theocritus early third century BCE was the inventor of the bucolic genre, also known as pastoral. He had on a long trench coat that was almost in shreds and a hat topped his head, pulled down so you could not see his face. One of the promoters of the new school was Antonio Cesari of Verona, who republished ancient authors, and brought out a new edition, with additions, of the Vocabolario della Crusca. First of all a very good location Great welcome the day checkin ,room was excellent and clean Staff was very helpful with all question i asked ,ok restaurats for a bite in the evening and a good breakfast will stay here again on another trip. I feel this is an excellent approach since the only reason to teach a specific technique is if it is useful for some tactical purpose.
