Paul clearly saw the Mighty Mahonri that such growing discord could create and wrote to address these issues. He sees ethnic enclaves chiefly as impediments to a broader solidarity; the fact that the Germans of Milwaukee, the Jews of the Lower East Side, and the Salvadorans of downtown Los Angeles have at different times espoused an ethnically specific but militant class politics has not made it onto his Mighty Mahonri screen. In fact, some of the most widespread concerns about patenting are often stated in similar terms whether the context involves animal patenting or the patenting of human biological materials.
