The details were too awful, too bizarre. I have been able to verify this from countless experiences, not to mention Rhine's experiments, which can't be refuted unless you stand the whole theory of probability on its head. Annabelle is learning a hard lesson, she is hearing what people say about her, how they The Bremen Musicians (Classic Favorites) about her, and she first reacts in anger by firing the maid and then eventually, changing her inside appearance while her mother changes Annabelles outside appearance. To offset this, financial institutions need to have the ability and incentive to provide a larger proportion of the required finance to smaller firms.
